### The Area

Most of our homestays are situated in the suburbs and are easily accessed by public transport. You will be given detailed instructions on how to get to the school and around the city from where you are staying. Your hosts will also make sure that you get to know your local area and how to find the places you want to go. Homestays are located in Brighton and Hove, travel times range from 30-60 minutes by bus.

Hosts will share clear information about household rules and facilities, including use of the kitchen, bathroom, laundry, and Wi-Fi. Our homestays are carefully chosen and regularly inspected by a member of the Bayswater Team.

Please note, the majority of our homestays are organised directly by us, but occasionally we also work with a trusted, British Council accredited accommodation agency to make sure we always have high-quality options available for our students.
